As has been the procedure to date, Messrs. Andary, Shulman and/or I will interview presently employed Agency personnel at Langley, Virginia. We understand that you will give us addresses and telephone numbers for former Agency personnel, if you have them.

In order to facilitate this investigation, please give us pertinent information on a continual basis, and do not wait until you have all of the information before responding to us. We suggest that all further coordination of these interviews be accomplished orally. Note that the above names have been numbered. These numbers should be used in lieu of the names during future telephone conversations about them.

As you know, the building passes for Messrs. Andary, Shulman and I recently expired. Although I have already orally requested the renewal of these passes, in order to avoid any possible confusion, please insure that these passes are renewed, with an expiration date of no sooner than September 1, 1976.

Sincerely,

ALFRED L. HANTMAN, Acting Chief  
General Crimes Section  
Criminal Division
